IMPORTANT INFORMATION AFTER YOU HAVE REGISTERED

TRAVEL INSURANCE

It is advisable for registrants to purchase travel insurance. The range of coverage can vary significantly from policy to policy, and travelers are encouraged to identify a policy that suits their needs. Things to consider are travel delays, trip cancellation or interruption, medical coverage, and baggage loss or delay. Before purchasing insurance, you may wish to check with your health insurance carrier to see if your policy includes medical care overseas. Please note that many insurance carriers require that insurance be purchased at the time a deposit or final payment is made. We can provide the names of recommended Travel Insurance providers.
